If you want to be a Cardinal,
Just come along with me . . .

In the state that's best to live in, bounded by the lakes...

Is a town that has a high school of the highest rate . . .

In the class room . . .

. . . or on gridiron . . .

Track . . .

And baseball too . . .

We are proud of all our students and their spirit true . . .

Raise your voices, sing together, friendship be our star:

We shall ne'er forget our classmates though we wander far.

Hail ye students, true and loyal,
Let the chorus ring.
Hail to thee, Coldwater High School
Praises loud we sing!

Mr. E. Byron Thomas

Superintendent

E. BYRON THOMAS, our active Superintendent of Schools, is a man of diversified talents. He has to be to meet the inflow of work which greets him daily. He's not only an educator, but also an administrator, an expert in public relations, and a counselor. Much of Mr. Thomas' time is spent in keeping in touch with the latest educational policies, conferring with principals, teachers, and students; and adequately correlating the schools with the whole community.

Board of Education

Left to right: Dr. Harold Weidner, Trustee; Mr. Willis Hodgman, Treasurer; Mr. Stanley Borden, President; Mrs. Margaret Olmsted, Secretary; Mr. Charles Woodward, Trustee; Mr. E. Byron Thomas Superintendent of Schools.

Mr. Kermit Dennis

As Principal his many daily duties include: balancing the school calendar, getting the bulletin ready, checking absentees, correspondence, student problems, club and faculty meetings, class visitations, and many others. Spare moments are spent in club activities, hunting and traveling.

Included in his many office activities are: checking attendance, correspondence, student problems, the Student Council and faculty meetings, balancing the calendar, taking care of three study halls, keeping records up-to-date, and being his own "truant officer." CLASS OF '52 IN REVIEW

In 1946 we shyly entered the seventh grade, and being unsure of the run of things, STUDIED. Class officers Merabeth Selby, Norm Hawk, Tom McConnell and Elaine Lampson guided us that year. "Hello, I'm from Junior High School and I wonder if you wouldn't like to buy a magazine?" Judy McKnight was top seller and won the radio. A few were pretty enough to make the popularity poll.

Eighth grade — Shirley Barringer, Maryjo Hyland, Nancy Robinson, and Phyllis Worden gave us some class parties that were terrific . . . never had enough of them . . . remember those traffic dances! This year we brought home a prize for our Hallowe'en float . . . a feat never repeated by our class. We were really in the swing of things.

Ninth grade — We're almost halfway through now . . . and in the middle of many rip-roaring romances. Oh, love is grand! We had our second Twin Valley football champs this year . . . and we're becoming quite sport conscious. Bill Connell, Tom McConnell, Robert Smith, and Eugene Miller were our officers. Sounded like the football team . . . which it was, reserve that is. Don Davis nosed out Gretchen Olmsted to become student council president. The girls, losing all this prestige consoled themselves with slumber parties. What a basketball team . . . we followed them to STATE! Canasta and "drivers" clubs were the craze. Jean Ann Elliott and Norm Hawk won the good citizenship awards . . . Norm also won the Latin Award.

Tenth grade — Sophomores no less! Three flights up, but it was worth it to have those lockers . . . seniors emptied our books on floors . . . "Who do those guys think they are anyway?" The hearty reception they gave us made up for everything . . . Norm Hawk, Helen Jean Weakly, LeeRoy Morrill, Paul Pope, Judy McKnight and Vicki Tropp were our officers that year.

Eleventh grade — "No Exams. Hey, I like this!" Football season . . . let's not talk about it! We were impressed by the new teachers . . . really going to like English next year. Ellen Harris, Jane Mitchell, Bill Connell, Shirley Barringer, officers; Maryjo Hyland and John McBride, Commissioners; Patti Sager, Clerk. We dedicated the Cardinal Field . . . Zoe Patterson and Helen Jean Weakly were the members of our class in the homecoming court. "The Late Christopher Bean," our class play, had them in the aisle. The Junior-Senior was a wonderful way to end the year, but everybody regretted seeing so many faithful teachers leave C.H.S.

We were on top now . . . except for the Administration . . . and only a few short months to go . . . It couldn't be true that we had arrived at last! Don Davis, Mayor; Don Spencer, President; Dale Jackson, Vice-President; Tom McConnell, Secretary; Helen Jean Weakly, Treasurer; Merabeth Selby and Joyce Kaser, Commissioners . . .nice line up. A better football season . . . but I can remember when . . . Dave Bennett won a position on the conference team . . . we crowned Joyce Hinson our Homecoming Queen . . . Helen Jean Weakly and Shirley Robson were the senior members of the court. Teachers' Institute, and Senior paper drive . . . we didn't realize you could get so much for old papers. The senior play "Our Hearts Were Young and Gay," was a big success. The class of '52 and the teachers, chose Helen Jean Weakly D. A. R. girl. We had a scrappy basketball team, but sadly enough, we dropped our first district game. Norm Hawk was Valedictorian; and Carole Magee, Salutatorian . . . we knew it would be those two all along! . . . A beautiful modern bus was purchased for our school, and to celebrate this occasion, Mr. Dennis let all of us out of study hall to take a ride . . . He's a swell guy! The faculty chose Norm Hawk and Joyce Hinson as ideal boy and girl . . . Leland Ward was honored by being named State Farmer of 1952 . . . Now it's — "Washington or Bust," and we probably will! Miss Ilda Phillips and Mr. Oscar Renshaw, our class advisers, accompanied us on our trip . . . what fun! Well, the final fatal moment arrived at last . . . we were the first class to graduate on Cardinal Field, and our High School "daze" were only to be fond memories . . .

VALEDICTORIAN

NORMAN HAWK

It is increasingly clear that when our high school education comes to an end we will be unpolitely dumped into the lap of one of history's critical periods. It also seems quite evident that many have subconsciously accepted war as the only answer to the problem.

War is farthest from being the answer. Peace is no longer a luxury. It is a necessity, for no one can possibly win another world war with its resulting devastation. In the ruins of a post-war world, we would find the opposing beliefs of Democracy and Communism still alive, still fighting each other. It is not difficult for us to see that the ideals of Freedom can never be abolished by a mere war, so we must take a step further and admit that we could never eliminate communistic beliefs by achieving military victory. It is simply impossible.

But there is an answer. We can win out by matching truth for lies, Christianity for Atheism, and education for ignorance. These are the only weapons which can possibly destroy any objectionable "ism," and their great effectiveness would be surprising if it were the will of the people to apply them.

Therefore if we are to find the happiness in life which everyone seeks, we must avoid war and promote peace and understanding. If we follow the correct course, the history of our generation will be one of "peace on earth, good will toward men."

SALUTATORIAN

CAROL MAGEE

Will a space ship reach the moon? Will radioactivity cure cancer and other diseases? Is world peace in sight? These are just a few questions and problems which confront the class of '52 as we leave school and look into the future.

A few of us may take part in the development of scientific inventions and economic solutions, but there will be more of us who will benefit by them.

All through our school life, our teachers have been on hand to guide and advise us whenever we were in need of help. Only through their instruction would we be prepared to make our way in the life that lies before us. Many have profited more by it than others.

Too many of us have idly wasted precious time when we could have utilized it to our own advantage. Life is so short that we can't afford to let it slip by us unacknowledged. In years to come, we will look back on our school life and pick out not only our good times, but those few minutes of each day when we could have been studying harder on world problems, digging a little more on science, or other things which we could have profited by in the future. Instead we were "just fooling around."

We have the privilege of preparing for our future lives which can exceed any existence of the past. If we make the right decisions, future success is ours.

Sophomore Reception

October 10

- The Sophomores were warmly received at the "Harvest Moon Hop" given at the Edison school. The gym was decorated as a fall scene, centering around the wishing well in a park. Students danced to the strains of Jack Craig's orchestra.

Christmas Party

December 19

- Shortly before Christmas vacation, the Sophomores entertained the Juniors and Seniors with "The Winter Wonderland," the annual Christmas party. "The Collegians," a 15-piece all-girl band from Western Michigan College, furnished the music and the Albion College Choir presented a very fine program. Refreshments consisted of punch and Christmas cookies.

Valentine Formal

February 16

● "Lover's Delight" was the theme of the annual valentine formal held at the Masonic Temple on Saturday evening, February 16. The dance was sponsored by the Y-Teens and Hi-Y. Decorations for the dance were assorted hearts and streamers. An all-girl orchestra from Western Michigan College supplied the music, and played several specialty numbers. Refreshments consisted of ice-cream, cokes, and cookies.

Queen Joyce Ann Hinson, Mayor Don Davis

Homecoming Queen 1952

- Joyce Ann Hinson, a seventeen year old senior, was crowned C.H.S. "Homecoming Queen" by Mayor Fred Weeks. Ceremonies were held at Cardinal Field during the half-time of the Coldwater-Hillsdale game, October 12, 1951.

  Members of the Queen's court were: Helen Jean Weakly, Shirley Robson, Marilyn Dickey, and Jean Forrester.

  Incidentally, Joyce's beau, and co-captain of the football squad, Gene Miller, intercepted a pass to make the winning touchdown, making the final score Coldwater 19, Hillsdale 13.

SENIOR PLAY

"Our Hearts Were Young and Gay"

- "Our Hearts Were Young and Gay," a three act comedy, by Cornelia Otis Skinner and Emily Kimbrough, was presented by the Senior Class, in the Roosevelt auditorium, on November 16, 1951, under the direction of Mr. Hugh Tyler.

  The play took place during the flapper age about 1923. The plot involved the difficulties and happy moments of two seventeen year old girls on their first trip to Paris.

BACK ROW: Mr. Tyler, Barnes, Keyes, Allen, Baldwin, Silvers, Swain, Hudson, Henton, Northrup, Wilkins.
FIRST ROW: Cochrane, Stansell, Green, Mason, Bradley, Sager, Robinson, Bovee. Absent—Doris Lind.

JUNIOR PLAY

"You Can't Take It With You"

- "You Can't Take It With You" was the title of the three-act comedy presented by the class of "53", March 28, 1952, in the Roosevelt auditorium.

  The plot centered around Grandpa, an elderly gentleman whose principal ambition was evading work and income tax.

  Mr. Hugh Tyler directed the annual performance.

More Senior Play Shots:

BACK ROW: Kulow, McConnell, Smith, Davis, Strong, Rennell, Wallace, Milnes, Johnson, Rice, Semmelroth, Mr. Tyler.
FIRST ROW: Susie Allen, Soule, Sylvia Allen, Reppert, Herman, Bovee, Skabo, Magee, Patterson, Harris.

Exchange Assemblies

- The exchange assembly was again under the supervision of Mr. Hugh Tyler, who was assisted by Alyce Aiken and Joyce Kaser, the co-chairmen. The theme of the assembly centered around the students of C.H.S. trying to get a famous band for the biggest dance of the year. At the last minute the band was unable to come, but the students quickly filled in by using their own talent, thus saving the dance from disaster.

SENIOR TRIP

May, 1952

- The education of the Seniors was extended beyond the halls of C.H.S. in their annual trip to Washington, D. C. The trip proved to be a proper stepping stone from high school days out into the world in that many of the places and workings of our national government were visited and observed. Such places as the Naval Academy in Annapolis, the Navy Yards at Norfolk, the Empire State Building in New York, and the Niagara Falls were also included.

THE 1952 CARDINAL

• In this year's Cardinal we have retained the numerous improvements which made last year's annual an award-winning book. In addition we have tried to incorporate a few new ideas wherever possible.

Ranking high on the list of this year's improvements are the raised lettering, the grain pattern, and the manila overtone on the cover. The '52 Cardinal also sports an enlarged opening section.

One important purpose of a yearbook is, of course, to serve as a history. It must be designed to hold the reader's interest when first read, and when it is read last, many years later. It is also the most important medium through which school activities are shown to the outsider. Parents, other schools, and many other groups often gain their impressions of C.H.S. through the Cardinal. We have strived to make the book a complete history; an honest representation.

The Cardinal Staff wishes to express thanks to those who contributed to the 1952 Cardinal.

ROOSEVELT STUDENT COMMISSION

Mayor - Don Davis

- The students of Coldwater High School have a voice in their school government. Their opinions are heard through the representatives of their student commission. This year the student body elected Don Davis, Mayor; Alyce Aiken, Clerk; Joyce Kaser and Merabeth Selby, Senior Commissioners; and Natalie Bovee and Bruce Dillon Junior Commissioners. Hal Weidner and Sharon Kemp were elected sophomore commissioners to fill the vacancies of Sybil Schlubatis and Merle Donbrock who resigned during the year.

  The commission participated in a Visitation Day Program with Albion, Lakeview, Marshall, and Sturgis, which did much to further inter-school relationships. Among various other duties, the commission chose the exchange assembly cast, the cheerleaders, and the citizenship committees, and planned the Homecoming ceremony. One of the biggest tasks accomplished by the commission this year was a revision of the school constitution. Many assemblies and dances were also charted by the commission.

LINCOLN STUDENT COUNCIL

President - Don McCann

- The Junior High students elected Don McCann as their Student Council president. The other members of the Council are: Connie Soule—ninth grade president, Jim Lint—ninth grade representative, Connie Parshall—president of the eighth grade, Wesley Kinsey—eighth grade representative, Jerry McLaughlin—president of the seventh grade, and Paul Douglas—representative from the seventh grade.

  Two very successful Junior High parties were held November 9, and April 4. A magazine sale was conducted by the Council last fall. The proceeds from the drive went for beautiful paintings of Michigan scenes, which have been placed in the Junior High building. A very profitable project was undertaken by the Council. Throughout the year, the members conducted a room inspection of all the Junior High classrooms. The object, of course, was to promote the students' interest in keeping their classrooms neat and clean.

- The C-Club, directed by head coach, Floyd Eby, has completed another successful season in which several important projects were finished.
The club organized, set up, and enforced rigid training rules for the C.H.S. athletic program; contributed $10.00 to the Coldwater Community Chest; sponsored two dances; paid for materials to build pole vault and high jump standards; and paid for the installation of a new whirlpool bath which was purchased by the Jr. High Commission.

These projects, plus many other events which took place during the current school year, helped make the C-Club one of the most successful and important clubs in the school.

CARDINAL SERVICE CLUB

● In 1946, a club called the Athletic Police was organized for the sole purpose of taking tickets and keeping order at the athletic contests. New duties and responsibilities arose and in 1950 the Athletic Police became the Cardinal Service Club.

The present club consists of seventeen boys, who serve the school in many ways. These boys run the movie projector for assemblies and noon hour entertainment, operate the stage lighting for programs, check group dues at professional assemblies and the various sports events, help anyone wishing to use the wire recorder, and park cars at the football field.

The motto of the Cardinal Service Club is "Be of service to the school."

- The Hi-Y held their semi-monthly meetings Wednesday evenings in the study hall. To raise money, the club had a paper drive, sponsored two after-game dances and shared half of the expense of the Valentine formal with the Y-Teens.

  Paul Pope and Lee Brayton were sent to the State Capitol building to participate in legislative procedure. The club decided to send two delegates each year to this convention because of the valuable experience the boys receive in governmental training.

- This year the F. F. - The G. A. A. field day was inaugurated this year. Girls from Twin Valley schools, besides other neighborhood schools, met here for their first field day. They participated in such sports as basketball, volleyball, table tennis, softball, soccer, badminton and tennis. A Hallowe'en float, pep assembly, and after game dance were some of the other projects of the club.

  The main purpose of the G. A. A. is to promote girls' intramural sports and the club gives chenille awards like any boys' intramurals. Girls earning at least 400 points are entitled to: an emblem for freshmen, a small "c" for sophomores, a large "C" for juniors, and a G. A. A. pin for seniors. Also an annual trophy in memory of Phyllis Mack is dedicated to the best sportsman in G. A. A.

- The fifty Dancing Club members met on Wednesday afternoon throughout the year to study the development of dancing technique, the dances of foreign countries and our own, tap, and ballroom dancing. Spanish and Irish dances were learned along with the American square dance which originally came from some of the old European folk dances. Carole Magee assisted Mrs. Aitchison in teaching tap dancing.

  The club sponsored a workshop in square and ballroom dancing for boys who were interested. They also presented programs for various community affairs. At the Fortnightly they presented a display of various Irish dances. A variety show of many kinds of well known dances was given for the Branch County Officials' Banquet and the Kiwanis and Lions Club's Ladies Night. The girls also presented an enjoyable assembly of the different dances they had learned, and sponsored an after-game dance.

- The Y-Teens organization has a membership of one hundred forty-five girls. The new members attended a formal initiation held at the Parish House in October. The speaker for the occasion was Mrs. E. Byron Thomas.

  Many successful projects were undertaken by the club. The first was "Chocolate for Europe" to which they gave money for candy which was sent to a war-scarred country. Showing their holiday spirit, each member donated food which was distributed to needy families during Thanksgiving and Christmas. Attractive tray mats, favors, plaques, and vases were made for the Coldwater Health Center. The girls made colorful pom-poms for the football games which they sold to both Coldwater and the visiting fans. The club sponsored a Sock Dance, a Saint Patrick's Day Carnival and were the co-sponsors of the Valentine Formal.

  For the first time in the history of the club, the Y-Teen pin, a tiny replica of the world, was ordered. Another innovation was a Chapel Service which they presented for the students.

Varsity Football

- The young and inexperienced Cardinal squad started the season by snatching a 19-14 victory from their non-conference rivals, the Three Rivers Wildcats. In their first conference game, the Redbirds' defense was somewhat confused by Adrian's single wing, and the Cards went down 25-13. The next two games saw the Cards soar even lower, losing 38-12 to Marshall and 37-0 to the unbeaten, unscored-upon East Lansing team. The homecoming game saw the Cards put down a fired-up, non-conference Hillsdale eleven by a 19-13 score. The rest of the season saw Coldwater meeting defeat at every turn, losing to Lakeview 46-20 and to Albion 19-7. In the final game with Sturgis, the traditional rivals, Coldwater lost their hardest fought game 25-7. It was in this game that 13 Cardinal players, Dave Bennett, Gene Miller, Paul Pope, Leon Zabonick, LeeRoy Morrill, Tom McLaughlin, John Shiery, Lee Brayton, Bill Hoff, John McBride, Tom McConnell, Dale Jackson, and Bob Tucker, felt high school football sod under their feet for the last time.

- The reserves had a new coach this year in Bill Zabonick who proved very capable of the job, his team turning in three wins, two losses, and one tie.

  The Jr. Cards opened the season with a hard fought battle here with Sturgis that ended in a tie, 6-6. The next game saw them edge by Albion with a 12-6 score while a week later they ran all over Hillsdale, 54-0. Entertaining Lakeview here, they lost a heartbreaker, 14-19, but came back in the next game to win, beating Albion for the second time,6-0. The final game with Sturgis caught the team on an off day and they lost by a score of 31-0.

- Coach Ted Hagadone's Future Varsity football team, playing a tough schedule, was able to win but one game in the entire season, their last one against Sturgis. Many of the games were so close, however, that they were heart-breakers.

  As a whole, the team showed much spirit and promise for future years. Three of the boys, end Bill Parshall, halfback Nelson Curtis, and fullback Milton Gruner, moved up to the reserve squad at the end of the season where they saw action in the final reserve game.

'52 BASKETBALL REVIEW

Varsity Basketball Individuals

Dave Bennett: a senior, in his second year of varsity action, helped to spark the team to victory. His stamina and workhorse spirit gained him a berth on the all conference second team.

Harold Corless: a junior, received his first varsity letter in basketball this year. Dean played under the boards a lot and was a "jumping fool." Next season he ought to drop into Jackson's shoes.

Tom Cranson: a junior, who won his first major award in basketball, showed much promise although he didn't play much. He's left handed and a good shot. Next season he ought to see a lot of action.

Bruce Dillon: a junior, won his first varsity letter this year. Bruce played almost every position. Although he didn't play much, he was always trying when he was in there.

Dick Dirschell: a junior, won his first varsity letter in basketball this season. Dick was a hustler all the way and always played to win when he was in the game.

Dale Jackson: a senior, winning his third varsity award, played very impressive defensive ball, but was not to be overlooked by the opponents as an offensive threat. Dale was a team player and kept the morale high. He was also elected co-captain of the squad.

Tom McConnell: a senior, winning his second varsity letter was exceptionally well coordinated for his 6' 4" frame. He could fake and drive, shoot from out court, and tip with both hands. Tom was rewarded with a berth in the all conference second team.

Remus Rigg: a junior, secured his first varsity letter this year. Remus was a good ball handler, quick, deceptive, and ought to be valuable to next year's squad.

John Shiery: a senior, won his second varsity letter this year and is said to be the most improved player in the Twin Valley circuit. John was a good shot and played brilliant ball. He was co-captain and won an honorable mention on the all conference squad.

Bob Tucker: a junior, won his second varsity award this season. Bob was an all around player although he didn't score much. He was a good ball hawk and one of the better defensive players in the T. V. His stamina and alertness was a great asset to the team.

- The Reserves were coached this year by Bill Zabonick, who guided his team to many victories. Employing a fast break offense and a hard checking defense, the freshmen Cards hung up one of the best records in the last few years.

  Judging by this record, it seems safe to say that the varsity will be well supplied with good material for future years.

Future Varsity Basketball

● Two coaches were required to coach the future varsity basketball this year. Ted Hagadone did the job until mid-season when he was drafted into the armed services. George Osenko then took over the duties for the rest of the season.

The team itself had tough luck all along, winning but three out of eleven games. They were in there fighting in every game and proved that although they didn't win many games some of them would be capable of taking over positions on the reserve and varsity squads next year.

Freshman Basketball

● The freshmen basketball team, coached by Frank Lowe, had the best record of all the CHS teams. They lost but one contest and that was by the slim margin of one point. Their success was no accident, for these boys showed a lot of hustle and snap and the ability to buckle down when the going got rough.

With such a record as this to their credit, these boys are being examined closely by the other coaches as prospective material for the reserve and varsity squads of next year.

- The Reserve Baseball Squad was kept much smaller this year to encourage those who showed no special ability in baseball to go out for track and also to make the team easier to handle. The boys who did show enough skill to stay on the squad, however, did their best to turn in a successful season. There was proof, too, that there will be some players capable of taking over the positions that are left vacant by the seniors on the varsity.

May 17	Regional	Kalamazoo

- The tennis team was coached this spring by Coach Zabonick. John Bennett and Hal Weidner, both sophomore veterans from last year's squad, and Tom McConnell, a senior and a four year letterman, formed the nucleus of the team. The rest of the team also put forth their best in an attempt to make the season a successful one. With most of the squad returning, next year should be one of the best Coldwater has known in a long time.
